Financial Reports: Cash \$13,209 + \$5,000 reserve. Beginning of fiscal year July 1st. Good cash flow now
Purchased the gold card banner. Be sure to hang up your window signs

Committee Reports

- 50/50 Need 2-3 people at football games (1-visitor side) to seal and 1-2 ppl to tear tickets. Dave Hall is overseeing this (he has another obligation that prevents him from attending the meetings) Gets you a free ticket to the game!
- Athlete Window Signs Renee Heaston - Done. Please hang up the these - it also signals a "safe" place for all kids
- Final Four Party Keith Drown – couple mos out but will need a new chairperson for 2017
- Ford Test Drive Event Dave Greenawalt – Aug 16th 1pm-5pm (during registration) being done by Andy Shamberger w/ Brondes Ford, no Lincoln. Great Lakes Rental donated the tent and big arrow sign. Need help picking up cars and 12 parent volunteers to fill out forms. Work in 2 hour shifts, must be 18yrs old w/ drivers license to test drive and different addresses. K100 did interviews last time, but don't have any one now - if anyone knows anyone that can arrange radio/tv it would be appreciated. Handicapped spots must be left accessible
- Gold Card Drive Sharalea Wolfram - Aug 15th 5:30pm-8pm - online tickets available now. Sticky notes were purchased to leave on the unanswered doors. Pizza after for all student athletes. There are 30 routes and only adults can drive and the bulk will be done by the fall sports since so much crossover. Time estimated to be 1.5-2 hrs / route after watching instruction video. The Volleyball team is the only one going on a different day (16th) because of a scrimmage. Gold Card drive originated in 1968 and is very profitable.
- Mulch Sale In the spring - open to ideas. Have some plans on hitting developments just outside Maumee
- Panther Den All stocked - need volunteers to sell. Online availability may be in the future.
- Restaurant Fundraisers Kristin Fritz - nothing yet, but will have schedule in a month - looking at Oasis, Chipolte, Marco's and Panera
- Rib Off August 18 – 21; Dave Greenawalt - parking down access road raises \$1500-2000 and we now have (2) feather flags!! \$3/car 5-8:30pm and 2 adults/parents to collect money with the athletes showing ppl where to park . Cross Country Thursday and Soccer boys Friday night

Sports Programs

Regan Cliff - almost done with advertising. 1-2 weeks left and also need Senior ads

Bowling Fundraiser

Looking for a chair. Would rather it be done in the off season in January some time. Lisa Helminski volunteered to chair.

Requests

Introduced Eddie Campos - Re/Max real estate agent - moved to Maumee 2 years ago and has been in the Maumee Chamber of Commerce for 10 years. Strongly believes in the community and supporting it. Every house referred to him in Maumee will receive 20% of his commission. Use FB, share his site or word of mouth.

New Business

Tailgate Committee - 1st Home Football Game - 4:30-7pm on Sept 2nd. Whole community event! Blow ups for kids, face painting, snow cones, and dunk tank. Hot dogs, chips & pop. Thunder Sticks as swag. Raffles for corn hole boards. Looking to make it a catalyst for the whole year and invest in the idea of school/community spirit. Looking for sponsorship from the Boosters. Motion for \$3000 for the tailgate by Eric Phillips and Brian Fritz seconded.

Old Business

Tennis Indoor Funding - actually started at the June meeting where half of the amount they requested to ensure indoor practice (mainly in the spring) could be obtained when the weather prohibited the outdoor practice. This may or may not be completely used due to unpredictable weather conditions. They have never asked for money before and Eric motioned for the full amount they requested and Jyl McCarthy seconded.

By-laws need to be discussed by the Executive Board

Senior Athlete Profile - Cynthia will put a form together.

Panther Den Wrap is completely funded and will be done by the first game.

Meeting adjourned at 8:56 pm. *Keith Drown motioned to adjourn, seconded by Sue Sherwin. Motion carried.*
